- Opening Prayer
- Array Syntax
- Looking Ahead

Music Friday ... on a Monday!

Let Zion in Her Beauty Rise (Hymn 41)

Let Zion in her beauty rise;
Her light begins to shine.
Ere long her King will rend the skies,
Majestic and divine,
The gospel spreading thru the land,
A people to prepare
To meet the Lord and Enoch's band
Triumphant in the air.

Arrays

Definition

An array is a collection of data of the same type. An array can be used for lists, tables, and text.

Looking Forward

- Read the textbook chapter shown in I-Learn
- Attempt the assignment and be prepared with questions that you want to get answer to during the next class
- **IMPORTANT:** Read the next Project Description for MadLib.
