

Unit 2 Review

CS 124 – Intro to Software Development

Macbeth – Lesson 7.2

Agenda

- Opening Prayer
- Spiritual Thought
- Q&A
 - Calendar Project
- Review Unit 2 Practice Questions
- Looking Ahead

Spiritual Thought

President Dieter F. Uchtdorf

"[S]eek out the majesty, the beauty, and the exhilarating joy of the "why" of the gospel of Jesus Christ. The "what" and "how" of obedience mark the way and keep us on the right path. The "why" of obedience sanctifies our actions, transforming the mundane into the majestic. It magnifies our small acts of obedience into holy acts of consecration."

Calendar

- Review pseudocode for computeOffset and displayTable
- Review definition of Leap Year - <https://www.timeanddate.com/date/leapyear.html>

Review Unit 2 Practice Questions

- Practice Questions, Solutions, and C++ Reference Guide are all in the github:

<https://github.com/macbeth-byui/CS124>

Looking Forward

- Friday
